ADDENDUM #2

RESPONSES TO RFP# 2023-01, SECTION 4B, PROPOSAL INQUIRIES. This Addendum #2 to RFP# 2023-01 includes NHES's response to an untimely inquiry. Because the inquiry raises an important issue with the scope of potential responses, NHES is providing the following response:

1. Due to the current situation where most banks no longer offer an Electronic Access Card solution directly (BOA, JPM, Citi, Keybank have all exited the business), would the state be open to accept responses from a Prepaid Card Issuer / Program Manager directly? These types of business can issue cards of all kinds of use cases; Unemployment, Temporary Disability, Child Support, Paid Family Leave, Relief Funds and Payroll.

NHES Response: The inquiry is not submitted timely. A Prepaid Card Issuer/Program Manager may submit a proposal if such proposal complies with the full scope of work as described in Section 3 of the RFP. A proposal limited to debit/credit card payment services is not responsive and will not be considered.
